WHO MAY SHOP:

- We are not open to the public. Shopping in Donated Goods is a privilege reserved for our Partner and Associate Members.
- To help agencies and their employees enjoy savings, for a limited time we will allow agency employees/staff members to shop Monday through Thursdays.
- Appointments are not required to shop.
- Volunteers, family members and friends of your agency are NOT authorized to shop in Donated Goods unless they are your guest at our Quarterly Fundraiser (applies to Partner Members only).
- In order to prevent abuse of privileges, agencies should list their employees as “authorized shoppers” by logging in to their Volunteer Connection account.
- Anyone not on the list will be denied shopping privileges. The Volunteer Center staff is responsible for verifying the list before individuals are allowed to check-out.
