At the Partner Member level of \$150 your volunteer jobs are publicized in the *Fort Worth*

Dear Volunteer Center Staff,

How will you access your fair share?

With the passage and signing of the Serve America Act, Congress has allocated \$5.7 billion over five years to encourage volunteerism in the U.S. by tripling the size of the AmeriCorps program. Included in the act are new opportunities for on-the-ground capacity building and nurturing social innovation. In order to help our membership learn more about this exciting opportunity, we are co-sponsoring the **Serve America Panel Discussion on Thursday, May 21**. Our co-sponsors are Funding Information Center and the Center for Nonprofit Management.

Participating in the panel discussion will be Rosa Moreno-Mahoney, Associate Director of Service & Volunteerism- OneStar Foundation. OneStar works with the Corporation for National & Community Service, the federal agency through which most, if not all of the Serve America money will flow.
